sector in Delhi Government have increased allocation of natural gas to Indraprastha Gas Limited (IGL) from 0.98 Million Standard Cubic Meters Per Day (MMSCMD) to 2.0 MMSCMD in the Month of June, 2002. Further, IGL plans to increase the number of filling stations from 94 to 110 by March, 2003, the number of compressors would also be increased from 58 at present to 111 by June, 2003. This will increase the compression facility from 6.91 lakh Kg. per day to 16.1 lakh Kg per day. Therefore, by June, 2003 IGL, may be able to meet the CNG requirement of transport sector in Delhi.

LPG requirement of A.P.

1457. DR. DASARI NARAYANA RAO: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the demand of LPG for domestic and commercial use in Andhra Pradesh during the last three years, year-wise;

(b) whether the demand was fully met, if not, what was the shortfall; and

(c) what steps Government have taken to ensure full requirement of LPG of Andhra Pradesh?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI SANTOSH GANGWAR): (a) The demand of LPG for domestic and commercial use in the State of Andhra Pradesh during the last three years has been as under:—

Year	Domestic (TMT)	Commercial (TMT)
1999-2000	427	8
2000-2001	500	8
2001-2002 (Provisional)	584	7

(b) to (c) The demand of LPG customers enrolled with Public Sector Oil Marketing Companies (OMCs) in the State of Andhra Pradesh, is being met by and large in full.
